

11 x 11 Series Brine Tanks

11x11 Series Brine Tank with Blow Molded Cover

11x11 Series Brine Tank with Injection Molded Cover

Perfect for apartments, small families, and tight spots, our 11x11 series brine tank can add a whole new dimension to your product offering. Compact enough to fit into closets, this 17 gallon brine tank has over 160 pounds of salt capacity. Manufactured from high density polyethylene, these tanks will provide years of service. In addition, ultraviolet inhibitors (UVI) increase the tanks resistance to damage from sunlight.

Available with standard blow molded cover or dress it up with a low profile injection molded cover. A complete brine well and grid system is available. Durable materials and the latest in plastic processing technology insure trouble free performance, year after year.

Many popular colors to choose from, custom colors available.
