

RESIDENTIAL DISTRIBUTORS

- ◆ Slot Size : Standard .010 - .013.
- ◆ Riser pipe sizes: 13/16" or 1.05".
- ◆ Twist-lock and slip top baskets.
- ◆ Made from high-impact FDA grade ABS material.

These molded distributor baskets are designed for residential water softeners from 6" to 13" diameter tanks. Distributors are molded out of high impact FDA approved ABS plastic material, and can be easily bonded to PVC, ABS, or HIPS riser tubes.

13/16"	1.05"	Description

n/a	389-13851	Bottom basket slip, gray
n/a	05008100	Top basket slip, natural
n/a	05008102	Top basket twist-lock, natural
n/a	389-13700	Top basket twist-lock (Fits Fleck valves only)
n/a	20009002	Distributor umbrella

DISTRIBUTOR ASSEMBLIES

Assembled distributors will make your life easier!

Distributors are securely bonded to the riser pipe and cut to one of our standard lengths or to your specific length. The top of the riser tube is a chamfered slip connection.
