How To Place An Order With Great Lakes International, Inc.

Our priority is to make your experience with us as pleasant and stress-free as possible.

We offer three convenient ways for you to place an order. Please follow the steps below to ensure that your order is accurate and able to ship as soon as possible.

Order By Phone:

Call us Toll-Free (U.S.) 800-357-8538 or 262-634-2386. We will take your order over the phone and an order confirmation can be processed for your review. Please have your company and contact information, along with part number(s) and product description(s) available.

Order By Fax:

Simply fax your purchase order to us Toll-Free (U.S.) 888-700-6114 or 262-634-6259. Please be sure to include your company and contact information, along with part number(s) and product description(s). For your convenience, we have created a standard Order Form for you to complete and fax or email. Our Order Form can be downloaded from the Support Section on our website. An order confirmation can be processed for your review.

Order By Email:

It's easy to send us your order by email to sales@greatlakesintl.com. Please be sure to include your company and contact information, along with part-number(s) and product description(s). An order confirmation can be processed for your review.

Orders received before 11:00AM CST will be processed for shipment the same day, if the product is in stock. Orders placed later will ship the next business day. If the product is not available for shipment, we will contact you regarding a backorder.

For additional information regarding our terms and conditions, payment terms, and shipping options, please refer to the appropriate documentation.

We look forward to meeting your needs and serving you in the future!
