

# Better Product - Better Value

**VS**

## A "NEW" product that makes sense and more economical!

- Pot Perm® Plus is more effective in converting dissolved iron and manganese to insoluble oxides which can easily be removed through filtration.
- Lab Tests confirm that Pot Perm Plus is more effective maintaining maximum performance in Green Sand Iron Filters. \*\*
- NEW proprietary formula allows for more stable pricing.
- Pot Perm Plus - NSF certification in 2013.

### Additional Benefits

- No change to dosage or settings on your Iron Filter.
- Formulated with Pro Products goal of Sustainable Lifecycle Management.

\*\* Testing performed by an independent 3rd party laboratory in a controlled environment.
